TECHNICAL NOTES

2022 Enchanter

Chardonnay

VARIETAL
100% Chardonnay

AVA
100% Willamette Valley

AGING
16 months in French oak barrels; 20% new

PRODUCTION
95 cases

ALCOHOL · PH
13.5% · 3.33

STYLE & WINEMAKING

Not with volume — with gravity. Enchanter is our study in nuance: richness without heaviness, where light and texture work together and the wine unfolds slowly in the glass. We age it in French oak with only a modest share of new barrels, letting time rather than toast shape its texture.

VINTAGE NOTES

A mid-April cold snap, with lows near 26°F, hit the northern Willamette Valley just after budbreak. A cold, wet spring held off flowering until late June, but a hot July and August brought McMinnville back to its 30-year heat average by August. A warm, dry October let the fruit hang until rain arrived October 22, and secondary buds brought yields close to normal.
