100% Pinot Noir	100% Willamette Valley	12 months in French oak barrels; 22% new	498 cases	14.0% · 3.60

Style & winemaking

Pinot Noir that knows what it's doing — and doesn't need applause. Balanced, thoughtful and ready, it's the bottle that fits anywhere: dinner party, pizza night, long Tuesday. Behind the easygoing label is the same vineyard sourcing, small-lot attention and careful blending we bring to Tendril, so the quality stands shoulder to shoulder with our flagship wines.

The 2023 vintage

Budbreak in the north Willamette Valley ran more than ten days late, but May heat in the high 80s to mid-90s pushed vines into an early, compressed bloom. August was the warmest and driest on record, with a heat wave August 13–16, and berries stayed small and concentrated. Picking began in early September, and early-September showers gave the fruit a welcome breather.

PAIR IT WITH

Grilled burgers · *Spaghetti with meat sauce* · *Chocolate chip cookies*

Ready to enjoy now.
