100% Chardonnay	100% Willamette Valley	4 months; no new oak	285 cases	13.5% · 3.49

Style & winemaking

Chardonnay made with clarity — and zero ego. Polished but comfortable: clean lines, steady structure, easy company. We make it with the same vineyard sourcing, small-lot attention and careful blending as our Tendril wines, keeping the focus on fresh fruit and balance so it's ready to enjoy the day it's released.

The 2025 vintage

A dry spring, with about 2.5 inches of rain in April and May against a typical 5, brought a fast bloom roughly five days ahead of average. A warm, steady summer in the north valley produced small, thick-skinned berries and a lighter crop, and cool weather with rain from September 6 slowed ripening for balanced fruit.

PAIR IT WITH

Linguine with white clam sauce · *Fish tacos* · *Falafel and hummus*

Ready to enjoy now.
